East Ravensdale Primary School

Attendance Policy

Introduction

Regular and punctual school attendance is important. Pupils need to attend school regularly if they are to take full advantage of the educational opportunities available to them by law. East Ravendale Primary School and Nursery fully recognises its responsibilities to ensure pupils are in school and on time, therefore having access to learning for the maximum number of days and hours.

Our policy applies to all children registered at this school and this policy is made available to all parents/carers of pupils who are registered at our school on our school website.

This policy has been written to adhere to the relevant Children Acts, Education Acts, Regulations and Guidance from the Department for Education in addition to guidance from the Local Authority.

Although parents/carers have the legal responsibility for ensuring their child's good attendance, the Headteacher and Governors at our school work together with other professionals and agencies to ensure that all pupils are encouraged and supported to develop good attendance habits. Procedures in this policy are followed to ensure this happens.

Children who are persistently late or absent soon fall behind with their learning. Children who are absent from school frequently develop large gaps in their learning which will impact on their progress and their ability to meet age related learning expectations. A child whose attendance drops to 90% each year will, over their time at primary school, have missed two whole terms of learning.

Aims and Objectives

This attendance policy ensures that all staff and governors in our school are fully aware of and clear about the actions necessary to promote good attendance.

Through this Policy we aim to:

- Improve pupils' achievement by ensuring high levels of attendance and punctuality.
- Achieve a minimum of 95% attendance for all children, apart from those with chronic health issues.
- Create an ethos in which good attendance and punctuality are recognised as the norm and seen to be valued by the school.
- Raise awareness of parents, carers and pupils of the importance of uninterrupted attendance and punctuality at every stage of a child's education.
- Ensure that our policy applies to Nursery and Reception aged children in order to promote good habits at an early age.
- Work in partnership with pupils, parents, staff and the Education Welfare Service so that all pupils realise their potential, unhindered by unnecessary absence.

- Promote a positive and welcoming atmosphere in which pupils feel safe, secure, and valued, and encourage in pupils a sense of their own responsibility.
- Establish a pattern of monitoring attendance and ensure consistency in recognising achievement and dealing with difficulties.
- Recognise the key role of all staff, but especially class teachers, in promoting good attendance.

We maintain and promote good attendance and punctuality through:

- Raising awareness of attendance and punctuality issues among all staff, parents and pupils.
- Ensuring that parents have an understanding of the responsibility placed on them for making sure their child attends regularly and punctually.
- Equipping children with the life skills needed to take responsibility for good school attendance and punctuality appropriate to the child's age and development.
- Maintaining effective means of communication with parents, pupils, staff and governors on school attendance matters. Current methods of communication include:
 - Contacting parents with attendance below 90%
 - Award high attendance in the summer term
 - Publish weekly attendance on classrooms and in the weekly newsletter
- Supporting pupils who have been experiencing any difficulties at home or at school which are preventing good attendance.
- Developing and implementing procedures to follow up non-attendance at school.

Definitions

Authorised absence

- An absence is classified as authorised when a child has been away from school for a legitimate reason and the school has received notification from a parent or carer. For example, if a child has been unwell and the parent telephones the school to explain the absence.
- Only the school can make an absence authorised. Parents do not have this authority. Consequently not all absences supported by parents will be classified as authorised.

Unauthorised absence

- An absence is classified as unauthorised when a child is away from school without the permission of the school.
- Therefore the absence is unauthorised if a child is away from school without good reason, even with the support of a parent.

Procedures

Our school will undertake to follow the following procedures to support good attendance:

- To maintain appropriate registration processes.
- To maintain appropriate attendance data.
- To communicate clearly the attendance procedures and expectations to all staff, governors, parents and pupils.

- To have consistent and systematic daily records which give detail of any absence and lateness.
- To follow up absences and persistent lateness if parents/carers have not communicated with the school.
- To inform parents/carers what constitutes authorised and unauthorised absence.
- To work with parents to improve individual pupils attendance and punctuality
- To refer to the Educational Welfare Service any child whose attendance causes concern and where parents/carers have not responded to school initiatives to improve.
- To report attendance statistics to NELC LA and the DfE where requested.
- All staff should be aware that they must raise any attendance or punctuality concerns to the Headteacher or school office with responsibility for monitoring attendance.

- Contacting the school office on the first morning of absence.
- Informing the school in advance of any medical appointments in school time.
- Making requests for authorised absence in term time, only if absolutely necessary as these are not automatically authorised.
- Talking to the school as soon as possible about any child's reluctance to come to school so that problems can be quickly identified and dealt with.

Registration

All the school doors open at 8.50 am until 8.55 am. This time is sufficient for all pupils to come into their classroom.

Each class teacher has the responsibility for keeping an accurate record of attendance. Any pupil who is absent must be recorded at the beginning of the morning and afternoon session. The attendance register must be completed by the class teacher by 9.05 (KS2) and 9.10 (KS1/EYFS) and by 1.10pm. These registers are then returned to the school office.

All attendance records are documented using SIMS software, which is supported by the Local Authority. Attendance registers are legal documents and these must be kept secure and preserved for a period of three years after the date they were last used.

Lateness

Once the doors are closed at 8.55am the only way to get into school is via the school office. Any pupil who comes into school this way from 8.55am will be marked as late in the attendance record. Records are kept of those pupils who are late, this is documented on the electronic register for each pupil.

Children who have attended a dentist or doctor's appointment and subsequently come to school later than 9.05am will have the absence recorded as a medical absence (Attendance code M).

Children who are persistently late miss a significant amount of learning, often the most important aspect, as the beginning of the day is where the teacher explains the learning and what each child is expected to achieve.

Where there have been persistent incidents of lateness the Head Teacher will make informal contact and raise concerns. If lateness continues the parents/carers will receive a letter advising them of the concerns and the school will provide opportunities for parents/carers to seek support and advice to address these issues.

ABSENCES

Parents/carers should contact the school on the first day of their child's absence. When parents/carers notify us of their child's absence it is important that they provide us with details of the reason for their absence.

All absences are recorded as either authorised or unauthorised absences on the computer. It is important that we receive accurate information from parents with reasons for the child's absence. This information is used to determine whether the absence is authorised or unauthorised. The Headteacher has the responsibility to determine whether absences are authorised or unauthorised.

Where we have not received reasons for a child's absence then we the school office will contact the parent/carer.

First Day Contact

Where a child is absent from school and we have not received any verbal or written communication from the parent, then we initiate a first day contact process. Office staff check all of the registers from 9.00am to 9.45am on a daily basis, to identify those pupils who are absent. There are occasions when we are unaware why the child is absent and we will contact the parent to check the reasons for the child's absence.

Illness

When children have an illness that means they will be away from school long term, the school will do all it can to send material home, so that they can keep up with their school work. This will be with consultation with parents.

If the absence is likely to continue for an extended period, or be a repetitive absence, the school will contact the support services to see if arrangements can be made for the child to be given some home tuition outside school.

Where over the course of an academic year, a child has repeated periods of illness, the school will write to parents to ask them to provide medical evidence for each future period of illness related absence. This evidence could be a Doctor's note, appointment card or copy of a

prescription. We may seek written permission from parents for the school to make their own enquiries.

Parental Request for Absence from School for Holiday

With effect from September 2013 the government abolished the right of headteachers to authorise absence specifically for holidays of up to 10 days per year. The Headteacher can no longer authorise holiday leave except in the following circumstances:

1. Where there is documented evidence that the parents employer will **not** allow leave during school holiday time due to the nature of the business and impact upon it.
2. Where the trip is of such a nature that the Headmaster deems this to be of significant educational value and has documented evidence of that educational value from the group or tour operator running the trip.
3. Other exceptional circumstances as approved by the Headmaster.

Requests for absence from school for holiday should be completed on holiday form (appendix 1)

Addressing Attendance Concerns

The school expects attendance of at least 95% for all children.

It is important for children to establish good attendance habits early on in their primary school career. It is the responsibility of the Headteacher and the governors to support good attendance and to identify and address attendance concerns promptly. In primary school we rely upon parents to ensure their child attends school regularly and punctually and therefore where there are concerns regarding attendance parents are always informed of our concerns. Initially concerns about attendance are raised with parents via letters which are sent home. There will be opportunities for the parent/carer to discuss reasons for absence and support to be given by the school with the aim to improve attendance. Where a child's attendance record does not improve over a period of time then the school has a responsibility to make a referral to the Educational Welfare Service.

The Education Welfare Service (EWS) will issue penalty notices to parents where there has been a referral to EWS from the school as part of the school's processes to address poor attendance patterns.

In addition, education-related parenting orders are available by direct application by a school or LA to the Magistrates' Court as an ancillary order following a successful prosecution by the LA for irregular attendance or breach of a school attendance order.

Monitoring Attendance

Our office staff, has the responsibility for ensuring that all of the attendance data is accurately recorded on the SIMs attendance software. Regular meetings are held with the Headteacher to discuss all attendance concerns and appropriate actions are taken following

these meetings such as letters sent to parents or meetings arranged to discuss attendance concerns with parents.
