### Macmillan cakes and coffee

The school will host a Macmillan cakes and coffee time next Friday from 2.15-3.20. Everyone is welcome to attend and have a nice coffee with cakes while being waited on by the Year 6 children. It's always a relaxed affair with family, friends and the local community joining us. It would be lovely if you could donate cakes for the event – please send them in on Friday morning.

### Twinkles

**Please be aware there is no Twinkles next week (Wednesday 27<sup>th</sup> September) due to staff training in PE.**

### Access to school

Now the new build is (nearly) complete I have been watching the flow of people coming into school. I have decided to re-open the side gate (to the left of the old front door). This is to allow parents who park down the road to take a short-cut to the playground. Please do not attempt to enter via the side (hall) door as this is now alarmed.

### Friends of School

Friends of School have booked the school Christmas disco this week. I would like to have a meeting with members who can attend to discuss the coming year. I thought a good time would be next Friday after the McMillian cakes and coffee. Would you please text school if you are able to attend?

### School buses

If there is a change to your normal routine with regards to the buses please let the school office know. We will not allow children to change what has been told to us even if the driver tells us. You could call, text or send a note with the driver.

### School sports teams

As a school we attend a lot of different sports competitions. Please reply promptly to letters asking if your child would like to attend. This gives me time to arrange transport, staffing and team training in the sport itself.
